Re: Accrediting Council for Independent Colleges and Schools (ACICS) accreditation

We have received some very exciting news at City College, which I am most pleased to share with you.

After a very stringent, robust reaccreditation process by the Accrediting Council for Independent Colleges and Schools, we have been awarded a new grant of accreditation for six (6) years.

I would like to thank all staff, faculty and students who were involved with this process for their hard work and dedication.
