

Credentialing Pass Rates

Pass rates are calculated from Graduates of the Associate degree program in the date range specified.

Note: Pass rates can change for a reported year as students test or retest and pass/fail. The pass rates were current as of the Updated date.

Updated 3/15/2019									

***Gainesville will have three year data as of the July 1, 2019- June 30, 2021 reporting period. Hollywood will have three year data as of the July 1, 2016-June 30, 2019 reporting cycle.

Associate of Science, Emergency Medical Services
Paramedic Portion of the Program Data

The data below is the 3 Year Average of 2017-2015

The data reflects the average of the performance of the Paramedic cohorts whose on time program completion was 2017, 2016, and 2015

Altamonte Springs	
Retention	38%
Placement	77%
Pass Rate	67%

Fort Lauderdale and Hollywood	
Retention	58%
Placement	66%
Pass Rate	50%

Gainesville	
Retention	40%
Placement	69%
Pass Rate	100%

Miami	
Retention	60%
Placement	86%
Pass Rate	85%

Retention reflects cohort retention based on on-time paramedic completion date

Placement is graduates placed in field or in a related field

Pass Rate is the % of graduates who sat and passed the Florida State Paramedic exam. The annual data can change as graduates retest after initial posting of data.

Note: Fort Lauderdale and Hollywood programs are considered as one program for reporting purposes under the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP)
